

## PRESS RELEASE

### **Kverneland Group Launches New Distribution Centre in Sweden to Serve Customers Faster and Better**

17<sup>th</sup> June 2025, Vaggeryd, Sweden

Kverneland Group is proud to announce the opening of our new Parts Distribution Centre in the Jönköping region, Sweden — a key milestone in the Group's strategy to enhance logistics performance, customer experience, and sustainable operations across the Nordics (Denmark, Sweden, Finland and Norway) and Baltic markets.

Spanning 1,750 square meters, the Distribution Centre is housing over 3,500 high-rotation parts reference, to serve the needs for the Group's key brands: Kverneland, Vicon and Kubota Implements.

The new site strengthens our ability to maintain high availability of parts, machine uptime and reduce lead times across 7 countries in the region.

#### **Strategically Located to Serve the Region**

The new center is strategically located in the logistics hub of Jönköping, selected following a detailed center-of-gravity analysis to optimise delivery routes, carbon footprint and reduce lead times. This central positioning ensures next-day delivery to most of the dealer network, improving responsiveness and flexibility in parts distribution.

#### **Trusted Logistics Partner – DANX Carousel**

Operations at the new facility will be managed by DANX Carousel, a recognised leader in time-critical spare parts logistics. An experienced in-night delivery solutions and inventory optimisation partner, DANX Carousel will ensure the highest standards of accuracy, speed, and reliability to meeting our distributors and farmers' needs.

*“Like Kverneland, which has been at the cutting edge of agricultural innovation for over 140 years, DANX Carousel has worked to continually refine the speed, precision, and reliability of spare parts deliveries. This collaboration reflects our shared commitment to keep customers moving, ensuring the right part is always in the right place, at the right time”* said **Klaus Rud Sejling, Chief Executive Officer, DANX Carousel.**

#### **Customer-Centric Approach**

This investment is a direct response to the growing expectations of our Nordic and Baltic customers, the Key benefits include:

- Faster order fulfillment, including in-night delivery for critical parts
- More Parts available to minimise machine downtime
- Optimised lead times for both express and weekly orders

*“With this new facility, we bring our service closer to our customers – literally and operationally. It’s a significant step toward enhancing their daily experience,”* says **Renaud Peine, Managing Director Group After-Sales.**

### **A Opening Ceremony – 17 June 2025**

The official inauguration, which brought together Kverneland Group leadership, local officials, and partners from relevant markets, was held on 17 June 2025. This event celebrated an important step in the Group’s ongoing development strategy.

### **A Strategic Vision for the Future**

This new distribution centre is part of Kverneland Group’s broader vision to deliver excellence in After-Sales service, supporting long-term dealer performance and customer satisfaction.

*“This investment embodies our values – sustainability, proximity, and operational excellence. It reflects our ambition to set new benchmarks in customer service and be a reliable, forward-thinking partner for agricultural professionals across the Nordic and Baltic regions.”* - **Arild Gjerde, CEO Kverneland Group.**
